*Re: Request to Meet on Harrisburg Act 47 Issues*

Dear Ms. Novak:

As you may know, DEBT WATCH HARRISBURG is a local taxpayer group made up of individuals who pay real estate, earned income and/or mercantile/business privilege taxes to the City of Harrisburg. We currently have approximately 135 members. In the Act 47 administrative proceedings before DCED, we were granted Intervener status and continuing in that vein, we will be filing formal comments to any proposed Plan.

On behalf of our group, I am requesting a meeting with representatives from the appointed Coordinators, both to proffer our collective views on the necessary elements and parameters of any Plan and to inquire in more detail of the precise scope of the information gathering that is underway.

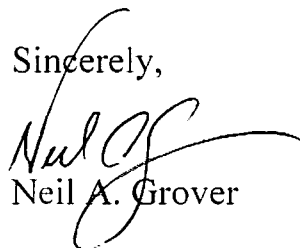

Our preference would be to meet in late March or early April in Harrisburg. I anticipate several members of DWH would be attending and we would wish to discuss the breadth of the work undertaken by the four (4) appointed firms to formulate a Plan for Harrisburg.
